Skills

I have good communication skills that allow me to confidently speak in large groups and get to know other individuals. I have strong leadership skills and like to work hard in everything I do. I am organized in many aspects of my life.

Experience

Counselled and lifeguarded at a children's camp

summer of 2018 - Wesley Acres (Wesley acres Rd, Bloomfield, ON K0K 1G0)

I was a cabin leader for a group of girls ages 10 - 13 for a week long period. During this week I also lifeguarded.

Missions work for four years

March 2016, December 2016, February 2018, February 2019 - Dominican Republic

From grade 9 - 12 of highschool I have gone with a group to the Dominican Republic on a missions trip. Here, we built a home for a family in need and brought down humanitarian aid items. These trips are life changing experiences that always teach me lessons.

Worked on Housekeeping

Summer 2018 - Wesley Acres (Wesley acres Rd, Bloomfield, ON K0K 1G0)

I worked as a cleaner at the camp my family attends. This included cleaning public bathrooms, dining halls, and guest hotel bedrooms. I learned how important teamwork is when needing to complete a series of tasks within a certain time period.

Worked as a full-time LifeGuard

Summer 2019- Saville 2090 Neepawa Avenue

I currently work full time as a single guard at an outdoor pool for an apartment complex. I am responsible for full maintenance of the pool including vacuuming, chemicals, pump system, etc. My work contains a lot of customer relations, giving swim tests for children, supervising swimmers, providing first aid, and maintenance/upkeep of pool area.
