Objective

I believe that with my ability to work hard, fulfill tasks, and meet expectations alongside my previous Senate experience, I can be a successful new member of the Student Senate and assistant to a Senate VP.

Skills and Abilities

Positive attitude and behaviour

- I have an almost constant optimistic outlook on situations and try my best to stay positive throughout obstacles.

Interpersonal skills (relates well to others)

- I can relate to other people's problems, successes and emotions.

Decision making skills

Participation in projects and tasks

Willingness to keep learning

Leadership and management

- I am a natural-born leader and manage my work and time efficiently.

Sense of responsibility

- I complete objectives given to me in good time by the time they're needed. When I make mistakes I fix them and take responsibility for my actions.

Strong work ethic

Ability to work autonomously

Teamwork
