Work Experience

Installer Specialist

Huron Awnings and Ventilation Systems, Hensall, ON

2018-2019 (Summer Position)

- Installed ventilation systems to enable the organization to complete projects faster which resulted in staying on schedule during the busy season
- Demonstrated high degree of perseverance through a physically taxing job and having worked through varying weather conditions.

Crew Member

McDonald's Restaurant, Exeter, ON

2016-2019 (Part Time)

- Occasional Kitchen Manager, worked in the kitchen, cashier, and maintenance departments resulting in a 'universal' employee
- Demonstrated leadership qualities through taking responsibility for incorrectly assembled burgers, by motivating others during peak periods, and supporting the managers
- Assisted the organization during peak periods by making sure orders were completed in a timely fashion through being a "universal" employee, thus being able to assist in all departments which resulted in satisfied customers

Broccoli Buncher

Visscher Farms, Exeter, ON

2014-2017 (Summer Position)

- Ensured broccoli orders were finished on time through being a line leader and supervised over the quality of the broccoli bunches and motivating fellow employees

Additional Experiences

Brand Ambassador

2018-2019

- Assisted with the organization of various events for the Public Management Club at the University of Guelph to ensure students were aware of the program and its events

Deans Honour List

2018-2019

- Awarded at the University of Guelph and at Redeemer University

Student's Council President

2017-2018

- Demonstrated leadership through representing the student body and organized numerous school wide events
